REMARKS

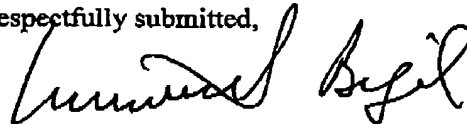

In response to the Restriction Requirement of March 4, 2005, Applicants hereby elect Invention II, corresponding to Claims 1-7 and 13-20, drawn to a device. Applicants have canceled Invention I, corresponding to Claims 8-12 and 21-22, drawn to a method. This cancellation is being made without prejudice to the filing of a divisional application for these claims.

Applicants are not traversing the restriction requirement, because Applicants agree that unpatentability of Invention II would not necessarily imply unpatentability of Invention I.

The title has been changed to conform to cancellation of the method claims.

In view of the above, Applicant respectfully requests favorable examination and allowance of Claims 1-7 and 13-20.

Respectfully submitted,

Mitchell S. Bigel
